English Language

PROFESSIONAL SUMMARY

A highly dedicated and linguistically proficient English educator with four years of comprehensive teaching experience. Currently pursuing a Master of Business Administration (MBA). Demonstrated expertise in second language acquisition, curriculum design, and tailored pedagogical strategies for diverse demographics, ranging from international school students (Grades 1-9) to adult professionals. Exceptional track record in intensive standardized test preparation (Grade 10 & 12 Entrance Examinations, TOEIC). Native speaker of Southern Vietnamese with native-like English proficiency, committed to fostering linguistic competence and academic excellence.

ACADEMIC BACKGROUND

Master of Business Administration (MBA)

EXPECTED OCT 2026

Ho Chi Minh City Open University

Bachelor of Arts in English Language

PEDAGOGICAL EXPERIENCE

Test Preparation Instructor

CURRENT

Ngoai Ngu Than Toc Center

- Orchestrated rigorous, outcome-driven preparation courses for the Grade 10 and Grade 12 National High School Examinations.

- Delivered comprehensive TOEIC training modules, emphasizing strategic test-taking methodologies, syntactic accuracy, and auditory comprehension.
- Continuously assessed student proficiency metrics to implement targeted academic interventions, consistently facilitating top-tier examination results.

Private English Instructor (International Curriculum)

PAST 4 YEARS

Freelance

- Formulated and executed individualized syllabi for early childhood and adolescent learners (Grades 1-9) in alignment with international educational standards.
- Cultivated advanced reading comprehension, academic writing, and rhetorical skills through highly interactive, student-centered methodologies.

Communicative English Lecturer

PAST 4 YEARS

Freelance

- Designed specialized Andragogy-based (adult learning) English courses focusing on workplace discourse, business lexicon, and phonetic refinement.
- Employed pragmatic communicative approaches and role-play simulations to accelerate spoken fluency and professional articulation.

CORE COMPETENCIES

♦ Curriculum Development	♦ Standardized Test Preparation (TOEIC)
